HEATHERWOOD BRIARWOOD SECURITY ASSOCIATION

*Supported by all residents
with the common goal of
crime prevention*

THE WHY

Our security association was started in 1995 by neighbors like yourself. They shared a common goal of preventing crime in our wonderful neighborhood. We are so fortunate to boast that Heatherwood continues to be one of the safest Jackson neighborhoods in which to live! Our neighborhood is filled with our friends and their families enjoying our wonderful Heatherwood way of life. It is great to see the children able to participate in all of the outdoor activities that they love to do, as well as adults taking time they need to relax, exercise, and visit with friends.

HELP US INCREASE OUR PRESENCE

If you have not taken advantage of the opportunity to become part of our Security Association, let us encourage you to do so. The more members we have, the more security coverage we can get, either from Securitas, JPD, or a combination of the two, but we need your help! Can you spare \$0.82 per day to improve the safety of our neighborhood?

Peace of mind is such an important aspect of everyday life, and we believe that the efforts of our Securitas patrol men and women can preserve this. In order to maintain the security of our neighborhood, it is critical that we have everyone's participation in the Security Association!
